

Golf can be played individually or in teams. Players take turns hitting a small ball with 'golf clubs' into a series of small holes in the ground. The player who completes the course in the fewest strokes wins. Golf requires a combination of skill, strategy, and mental focus.

chipping putting
target speed accuracy
co-ordination technique

STEPS TO SUCCESS

These are the skills I need to achieve success in LKS2 Golf:

To successfully hit the target using a putt shot.

To play putting games.

To develop the chip shot.

To play games with others.

To compete in target games against others.

To apply correct techniques when competing.
